

## Rules and Regulations for Operation of Low-Speed Vehicles

1. Low-speed vehicles shall only be operated on public streets within the corporate limits of the Town of Tunica: specifically, west of U. S. Highway 61, north of Peabody Avenue and bounded on the north by Marie Street. The western boundary shall be Houston Circle. Under no circumstances shall the low-speed vehicle cross U.S. Highway 61 or drive on U.S. Highway 61. **Further, River Road and Magnolia Street shall be used for crossing; at no time shall the low-speed vehicle be driven east or west on those streets, due to heavy traffic flow.**
2. Any person who operates a low-speed vehicle must be responsible for all liability associated with operation of such vehicles and must have liability insurance coverage which will cover the use of said vehicles in an amount not less than required by Mississippi law for motor vehicles operated on public highways in this State.
3. No person may operate a low-speed vehicle unless that person is licensed to drive upon the public streets, roads and highways of Mississippi and then, only in accordance with such valid driver's license or temporary driver's permit. Operators of such vehicles must carry their driver's license or permit on their person at all times while operating said vehicle on public streets.
4. Any person who operates a low-speed vehicle shall comply with all traffic rules and regulations adopted by the State of Mississippi and the Town which governs the operation of motor vehicles.
5. An operator may not allow the number of people in the low-speed vehicle to exceed the maximum capacity specified by the manufacturer. The operator shall not allow passengers to ride on any part of said vehicle not designed to carry passengers.
  - a. In no instance shall a low-speed vehicle be operated at a speed greater than 20 MPH. No low-speed vehicle may be operated at a speed greater than reasonable and prudent for existing conditions, e.g. poor weather conditions.
6. Low-speed vehicles must be operated at the right edge of the roadway and must yield to all vehicular and pedestrian traffic.
7. Low-speed vehicles must park in designated spaces in such a manner that multiple vehicles can utilize the space. All parking rules and limits apply. No parking on sidewalks or at the curb of public streets is permitted.
8. Low-speed vehicles must have basic equipment, including a vehicle identification or serial number. Such equipment must include all safety devices as installed, including rear view mirrors and rear deflectors of the same type required by Mississippi law.
